DAILY, THI-WEEKLY AND WEEKLY, CLEVELAND LEADER COMPANY. OFFICIAL PAPER OF THE CITY.

For Evening Edition News see UNION STATE TICKET.

CATUESDAY, JUNE 26, 18861

For Secretary of State. For Judge of the Supreme Court. For Member of the Board of Public Works.

The President's Message. The President's message to Congre on the 22d east, is a simple amnouncement that he is at war with the Congressional policy, opposed to the Reconstruction ously hostile to the Union party. As this onth, Harrey D. Washburne; Ninth, amendment has become the platform of the Union party, by the unanimous action the President is nothing more or less than time. an official declaration of war upon the Union nominees in the Congressional and The Mineteenth Congressional Dis-State elections. It shows that, whatever may be the course of Johnson men, Johnson himself is determined to persist in his counties of Trambull, Portage, Ashtabu-

Executive action whatever to make it which has killed him politically still affects unnecessary; Its chains that its ratification at present by the state legislatures is mproper because the people have not expressed their years upon it betrays his besetting delusion that the masses business in the South, says "I am about

ton objects to its adoption until after those states have been restored. In other words, he desires to adlocking the stable deor after the horse is

superstructure of "my policy." It seems evident, then, that we are to be possible. fight the coming campaign not only without Mr. Johnson's active aid, but in the face of his active opposition. We regret this more on Mr. Johnson's account than our own. The developments of the past month have proven that the Johnson party has no existence in Ohio save the State. It is so throughout the country. There are no Johnson med among the Unionists bold enough to follow their master in opposition to the Constitutional amendment. The result of the full electrons will demonstrate this fact and continue the supremacy of the Union party.

We have been asked why Mr. Parsons, if his views are radical, does not resign the table is indifferently supplied; the tathe Federal effice which he now holds. ble cleths greasy and dirty, and waiters a circuit of ten miles about this place. The question implies a total misappre-bension of the relation of a Federal officeholder to the President and the party. premises at the earliest possible moment.

Mr. Parsons holds his place as a member — Toledo Commercial. of the grand Union party, not as a mekey ceive his appointment from President favor with President Johnson to insure his continuance in office. Should be waiters the most utterly stupid and igdiffer with the policy of the Union party. as announced in the Constitutional of Congo. Amendment which has recently passed Congress, he ought to rough his office. But his difference of opinion with an ac-cidental President is not a sufficient ground for resignation. Indeed, the fact that the President has turned traiter to the Union party, is a reason for his own three times, and that is about as often

In this matter Mr. Parious does not set "So say we all of us." The Herald for himself alone. He is bound to con-readily perceives and hints at the absurd
from the effects of the storm of Sunday sider, and does consider, his duty to his thy of a paper supporting Spalding and and Monday last. Some farmers lost subordinates. Should he resign, and a Stovens both. Being a Johnson paper it subordinates. Should be resign, and a Stevens both. Being a Johnson paper, it Johnson man be appointed in his Monday a supports Spalding and opposes Stevens. Stevens are of similar import, a sweeping removal would be made of all Being radical, we support Stevens and opthe revenue officers in the district. Every pose Spalding. good and true man would be beheaded and his place would be lifted by an advo-cate of "my policy" While Mr. Par-sons remains in his present office these men are protected. The demand that all Explanations

The demand that all Federal office-holders who are opposed to Mr. Johnson's policy should resign, is the impudent demand of Copperheads hungry for replied that paople differed in entire policy should resign, is the impudent demand of Copperheads hungry for office. We denounced it as such months ago and we denounce it now, that she "never was was so glad in her months ago and we denounce it new. These effices are not the property of the President. We trust that no radical effice-holder will resign. Let him hold his place and wait for the President to remove him if he dares. Judging from present indications, the radical office-holders in this district will not have long to wait.

There is easid to be a movement on foot that the present is place on the table in small ragments, having been torn in pieces by some hand, which must having for its aim to make General C. C.

The Bollimeyer Case—Letter from the mother of Bollimeyer.

The same thing has occurred in the rase of the Pennion Arent at St. Louis.

Some days ago we published a brief and of the Pension Agent at St. Louis. The following Union candidates for Congress have been nominated, or will be shortly: Second district, William T. Third Morton C. Hunter: Fourth, Ica C. Grover : Fifth, George W.

of Union Congressmen in supporting it for re-election to Congress from the Third aged woman, and fortunately are not and by the endorsement which it receives from Union uses, Union journals and district of Maine. A resolution was Union conventions all over the land, and adopted congratulating the people of the sit therefore will be made the issue in particular and statically and stat cient commentary upon itself. the approaching campaign, the message of patriotism of their representative in

From letters and frequent interviews with prominent Union men from the

This declaration of the President la, Geaugn and Mahoning, we are as-This declaration of the President against the Union party and platform is the more criminal because it was utterly needless. No necessity lay upon him to declare his viewest all. His message was declare his views at all. His message was not only uncalled for but was an absolute usurpation. A constitutional amendment, having passed both branches of Congress by a two-thirds vote, needs no congress by a two-thirds vote, needs no constitution of the congress by a two-thirds vote, needs no constitution of the congress by a two-thirds vote, needs no constitution of the congress by a two-thirds vote, needs no constitution of the congress by a two-thirds vote, needs no constitution of the congress and the cong ment, having passed both branches of formed, has withdrawn his name from the canwass. CADVASS.

We accord to Mr. Cadwell or any other Executive action whatever to make it valid. This Mr. Johnson himself admits. But that incontinence of tongue and pen and ascertain the public sentiment, but we regard his withdrawal as aminently him. Here was another opportunity for judicious and patriotic when he discovers him to reiterate "my policy" and he seized it. The document is an apt Illus- whole district in favor of returning Gen. tration of the unhappy facility with Garfield to his present position. General which Andrew Johnson says everything Garfield's radicalism, great ability, wide which he should not say. Its reference reputation and unquestionable integrity to the fact that the Amendment was not are well known throughout the whole sent to the President for his signature is country. The Nineteenth District can do rendered fatnous by the President's tacit itself and the great State of Ohio no greatadmission that such action was altogether or honor than unanimously to renominate

Loyalty in the South A private letter from a gallant Union flicer of high character who has been in are ready to sustain him and his policy—
a delusion of which the fall elections will
cure him if he has not utterly incurable.
The strenuous maintenance of his old
position that the Southern State should

For eight months I've submitted.

position that the Southern State should immediately, and without the exaction of further conditions, he restored to power, is a ludicrous begging of the entire reconstruction question. The amendment and enabling set provide conditions for the restoration to power of the rebellious always for your restoration to power of the rebellious always for your struction question. The amendment and to get out of this traitorous community. There is a specimen of reconstructed "lay."

The great to correctly example of the State by the storm, for the reason that the returns are far from being complete. We presume the county journals or wool growers as sociations will collect necessary for your speciments not death.

It is impossible as yet to correctly example the number of sheep killed in the State by the storm, for the reason that the returns are far from being complete. We presume the county journals or wool growers as sociations will collect necessary for your specimen of reconstructed "lay."

There is a specimen of the rebellious always for your specimen of reconstructed "lay."
